Dear Mr. Sikes:

On behalf of the participants in the Executive Development Program, I would like to thank you for your presentation on 20 September. Your topic on "How to Manage in the Present While Preparing for the Future" was enlightening and refreshing. The participants enjoyed the opportunity to talk with an individual from the private sector and discuss how corporate planning strategies can relate to achievement of excellence within the Intelligence Community.

We appreciate the time and effort you expended on behalf of the Course. Thank you, again, for your participation in our program.

Sincerely

Director
